Human geographer. Spatial data scientist. Teacher. Interested in spatial inequalities and spatial justice, urban transport, and big data applications in scarce data environments. Extensive experience in the domain of Geographic Information Systems, urban studies, and transport research. Possesses a wide skill set in the field of advanced spatial analysis, including experience with Python programming, R scripting, and PostgreSQL/PostGIS.

Present Appointments

- 2020 - Present** **Associate Lecturer**, University College London
Department of Geography. Associate Lecturer in Quantitative Social Science (0.4 FTE). Contributing to the M.Sc. modules *Principles of Spatial Analysis* and *Advanced Topics in Social and Geographic Data Science* as well as the undergraduate module *Introduction to Quantitative Research Methods*.
- 2018 - Present** **Postdoctoral Research Associate**, University College London
Department of Geography. Research Associate in the Geospatial Analytics and Computing Research Group (0.6 FTE). Analysis and visualisation of big spatial population data sets with a strong focus on geo-demographics, internal migration, and inter-generational social mobility and spatial inequalities.

Previous Appointments

- 2014 - 2017** **Junior Lecturer**, Stellenbosch University
Department of Logistics. Part-time appointment.
- 2013** **Junior Lecturer**, Utrecht University
Department of Human Geography and Planning.
- 2012** **Teaching Assistant**, Stellenbosch University
Department of Logistics.
- 2009 - 2012** **Teaching Assistant**, Utrecht University
Department of Human Geography and Planning.

Education

- 2014 - 2017 **Doctor of Philosophy**, Stellenbosch University
Transport Economics. Dissertation title: "Designing Travel Behaviour Change interventions: A spatiotemporal perspective".
- 2011 - 2013 **Master of Science**, Utrecht University. GPA 4.0. **Cum Laude**.
Human Geography and Planning. Dissertation title: "Towards spatial justice: The spatial equity effects of a toll road in Cape Town, South Africa".
- 2007 - 2011 **Bachelor of Science**, Utrecht University. GPA 4.0.
Human Geography and Planning. Dissertation title: "Contemporary Orientalism? Representations of Islam and Muslims in the Dutch Press: a content analysis of 'De Volkskrant' and 'De Telegraaf', 2001-2010".

Journal Articles

Professional Publications

- 2010 **Van Dijk, J. T.** and De Jong, T. Medische voorzieningen in kaart. Bereikbaarheid medische voorzieningen in Bushbuckridge, Maruleng en Sekhukhune [Accessibility of Medical services in Bushbuckridge, Maruleng and Sekhukhune]. *Geografie* 19 (5): 18-20.

Authored Books

- 2017 **Van Dijk, J. T.** Designing Travel Behaviour Change Interventions: a spatiotemporal perspective [dissertation]. Stellenbosch: Stellenbosch University. Persistent URL: hdl.handle.net/10019.1/102809

Research and Travel Grants

- 2021 Co-funded and Collaborative ESRC Ph.D. Studentship, UBEL DTP
£ 57,761 / 3 years (co-I, with P. A. Longley)
- 2020 Frank Carter Travel Fund, University College London
£ 550
- 2016 Postgraduate travel grant, National Research Foundation South Africa
ZAR 24,222
- 2015 NRF-DST innovation scholarship, National Research Foundation and Department of Science and Technology South Africa
ZAR 330,000 / 3 years

Stellenbosch merit bursary, Stellenbosch University

ZAR 50,000 / 2 years

2014

Scholarship award for full-time doctoral studies, Stellenbosch University

ZAR 390,000 / 3 years

Created Research Datasets

2021

Migration Model, 1997 – 2016

The Migration Model is a dataset that ascribes records pertaining to individuals that vacate a property to their most probable destination address, using a UK-wide population data set: the Linked Consumer Registers. The dataset comprises circa 42 million records. The 1997 – 2020 upgrade will be available later this year. Access to this dataset can be secured through the Consumer Data Research Centre (data.cdrc.ac.uk).

2021

Linked Consumer Registers, 1997 – 2020

The Linked Consumer Registers are a dataset that contain the names and addresses for adults in the UK in annual snapshots from 1997 onwards to 2020. They are compiled from reported outputs from linking public versions of the electoral roll and consumer registers (supplied by value-added resellers). The dataset comprises circa 141 million records. Access to this dataset can be secured through the Consumer Data Research Centre (data.cdrc.ac.uk).

Teaching Experience

2020 – Present

Lecturing, University College London

- GEOG0114: Principles of Spatial Analysis (M.Sc.).

Module page: jtvandijk.github.io/GEOG0114/

- GEOG0125: Advanced Topics in Social and Geographic Data Science (M.Sc.).

Module page: jtvandijk.github.io/GEOG0125/

- POLS0008: Introduction to Quantitative Research Methods (B.Sc.).

Module page: jtvandijk.github.io/POLS0008/

- Principal dissertation supervisor of two M.Sc. students

2019 - Present

High-school Student Supervision, Nuffield Foundation

Supervision of first-generation prospective university students as part of the annual Nuffield Future Researchers widening participation programme

2019

Seminar Speaker, University College London

Co-organiser and speaker in the “Technical Tuesdays” Seminar Series on methods and techniques for quantitative researchers. Module material: github.com/jtvandijk/TechnicalTuesdays

- 2014 - 2017 **Lecturing**, Stellenbosch University
- Spatial Accessibility and Transport Network Analysis (B.Sc. Hons, M.Sc.)
 - Secondary dissertation supervisor of two B.Sc. Hons students
- 2013 **Lecturing**, Utrecht University
- Introduction to Human Geography and Planning (B.Sc.)
 - Research Methods and Techniques (B.Sc.)
 - Introduction to Geographic Information Systems (B.Sc.)
 - Advanced Geographic Information Systems (B.Sc., M.Sc.)
 - Principal dissertation supervisor of three B.Sc. students
- 2012 **Teaching Assistant**, Stellenbosch University
- Spatial Accessibility and Transport Network Analysis (B.Sc. Hons, M.Sc.)
- 2009 - 2012 **Teaching Assistant**, Utrecht University
- Introduction to Geographic Information Systems (B.Sc.)
 - Advanced Geographic Information Systems (B.Sc., M.Sc.)
 - Transport Geography (B.Sc.)
 - Honours College Geosciences (B.Sc.)

Ph.D. supervision

- 2021 **Secondary Supervisor**, University College London
- Shunya Kimura on the topic of "Geographies of harmful gambling behaviour and their remediation". Project will commence September 2021.

Ph.D. examination

- 2020 **Ph.D. upgrade**, University College London
- Jakub Wyszomierski on the topic of "Hybrid geodemographics and creation of the 2021 Output Area Classification"

Invited talks and Conference Presentations

- 2021 "Developing a data infrastructure for bespoke demographic analysis". 29th Conference of GIS Research UK. *Cardiff, United Kingdom, September 14 – September 16, 2021.*
- 2020 "Applied Geoinformatics: Insights into human mobility patterns". Guest lecture Department of Physical Planning [online]. *School of Architecture and Planning New Delhi, India, October 29, 2020.*
- 2019 "Platial geo-temporal demographics using family names". 2nd International Symposium on Platial Information science. *Coventry, United Kingdom, September 5 – September 6, 2019.*

- "Using the spatial analysis of family names to gain insight into demographic change". 27th Conference of GIS Research UK. *Newcastle, United Kingdom, April 23 – April 26, 2019.*
- 2017 "Using GPS-enabled smartphones for Voluntary Travel Behaviour Change interventions". Guest lecture Utrecht University Summer School on "GPS data analysis". *Utrecht University, the Netherlands, July 12, 2017.*
- 2016 "Mobile data collection techniques in sub-Saharan Africa: An outlook to the future of transport research". 11th Biennial Conference of the Society of South African Geographers. *Stellenbosch, South Africa, September 25 – September 25, 2016.*
- "Designing a Voluntary Travel Behaviour Change Intervention: Smartphones and Space-Time Accessibility Analysis". Mobile Tartu 2016. *Tartu, Estonia, June 29 – July 1, 2016.*
- "GPS data analysis". Guest lecture Utrecht University in the module "Introduction to GIS". *Utrecht University, the Netherlands, February 18, 2016.*
- 2015 "GPS data analysis". Guest lecture Utrecht University in the module "Introduction to GIS". *Utrecht University, the Netherlands, November 25, 2015.*
- "Gathering individual travel data with GPS-enabled smartphones: A proof of concept study". 34th Southern African Transport Conference. *Pretoria, South Africa, 6 July – July 9, 2015.*
- 2014 "Twenty years of Freedom: The role of the Old Persons Grant in addressing unemployment and inequality in a young democracy". 12th Development Dialogue "Rethinking Democracy". *The Hague, the Netherlands, October 16 – October 17, 2014.*
- "Towards spatial justice: The spatial Equity Effects of a Toll Road in Cape Town, South Africa". World Symposium on Transport and Land Use. *Delft, the Netherlands, June 24 – June 27, 2014.*

Community Service

- 2020 - Present *Under One Sky*
Volunteering. Provision of food and assistance to the homeless community living on the streets of London.
- 2014 – 2015 *Social Sciences for Development conference*
Member of the local organising committee at Stellenbosch University for the 2015 Social Sciences for Development conference.

Web Development

- 2019 – Present *Gamble Aware*
Data analysis, web mapping, and visualisation of the geographical distribution of supply and demand for treatment and support for problematic gamblers. Maps are available through:
www.begambleaware.org/mapping-problem-gambling-severity
- 2018 – Present *GBNames*
GBNames explores the spread of family names across Great Britain, using historic censuses and recent consumer registers, and links surnames to consumer data statistics. Website available through:
apps.cdrc.ac.uk/gbnames/

External Projects

- 2021 – Present *World Bank*
Generation of travel time indicators and market access indicators for small administrative units in Ethiopia. This project is part of a wider study conducted by the World Bank that aims to identify and tackle deeply rooted binding constraints that could hamper the gains of economic growth being spread evenly across regions and between rural and urban areas.
- 2020 *UCL, Bloomsbury and East London Doctoral Training Partnership*
Scoping study, consisting of both desk research and in-person interviews, to identify potential factors and themes that underpin successful partnerships and collaborations between academia and industry.
- 2019 *Greater London Authority*
Preparation of selected data products on ethnicity, population churn, migration, and social mobility for the Greater London Authority.
- 2016 – 2017 *Harambee Youth Employment Accelerator*
Data analysis using well-known statistical techniques as well as more advanced machine learning classifiers for Harambee Youth Employment Accelerator to better understand, and possibly predict, successful job placements.
- 2009 *AfriScope*
Contributions to a study on the accessibility of government services in the Integrated Sustainable Rural Development (ISRD) Nodes in South Africa.

Review

- 2021 Transactions in GIS
- 2020 Computers, Environment, and Urban Systems
Journal of Transport Geography

	Transactions in GIS
2019	Transactions in GIS
	Journal of Transport Geography
	The Israel Science Foundation (Grant review)
	Journal of Traffic and Transportation Engineering
2018	Journal of Transport Geography
	Computers, Environment, and Urban Systems
2016	Area Development and Policy
2015	Journal of Transport and Land Use

Core Technical Skills

<i>Geographic Information Systems</i>	R, Python, Q-GIS, ESRI suite
<i>Data processing</i>	R, Python, Unix shell, GNU Parallel
<i>Data analysis</i>	R, Python
<i>Data visualisation</i>	ggplot2
<i>Project management</i>	Git, GitHub
<i>Web mapping</i>	Leaflet.js
<i>Web development</i>	HTML, CSS, JavaScript, Django
<i>Database management</i>	PostgreSQL, PostGIS
<i>Typesetting</i>	LaTeX, markdown, rmarkdown, bookdown

Language Proficiency

Dutch	Native proficiency
English	Full professional proficiency
isiXhosa	Basic conversational proficiency
