Human geographer. Spatial data scientist. Lecturer. Interested in spatial inequalities and spatial justice, urban transport, big data applications in scarce data environments, and re-purposing administrative and commercial data for research purposes. Extensive experience in the domain of Geographic Information Systems, urban studies, and transport research. Possesses a wide skill set in the field of advanced spatial analysis, experienced with Python programming, R scripting, and PostgreSQL/PostGIS.

Present Appointment

2021 – Present **Lecturer**, University College London

Department of Geography. Lecturer in Social and Geographic Data Science. Contributing to the M.Sc. modules *Principles of Spatial Analysis* and *Data, Politics and Society* as well as the undergraduate modules *Geocomputation* and *Geography in the Field II*. Undergraduate Admissions Tutor.

Visiting Appointments

2022 – Present **Research Fellow**, Stellenbosch University

School for Data Science and Computational Thinking.

Previous Appointments

2020 – 2021 **Associate Lecturer**, University College London

Department of Geography. Associate Lecturer in Quantitative Social Science.

2018 – 2021 **Postdoctoral Research Associate**, University College London

Department of Geography. Research Associate in the Geospatial Analytics and Computing Research Group.

2014 – 2017 **Junior Lecturer**, Stellenbosch University

Department of Logistics. Part-time appointment.

2013 **Junior Lecturer**, Utrecht University

Department of Human Geography and Planning.

2012 **Teaching Assistant**, Stellenbosch University

Department of Logistics.

2009 – 2012 **Teaching Assistant**, Utrecht University

Department of Human Geography and Planning.

Education

- 2014 – 2017 **Doctor of Philosophy**, Stellenbosch University
Transport Economics. Dissertation title: “Designing Travel Behaviour Change interventions: A spatiotemporal perspective”.
- 2011 – 2013 **Master of Science**, Utrecht University. GPA 4.0. **Cum Laude**.
Human Geography and Planning. Dissertation title: “Towards spatial justice: The spatial equity effects of a toll road in Cape Town, South Africa”.
- 2007 – 2011 **Bachelor of Science**, Utrecht University. GPA 4.0.
Human Geography and Planning. Dissertation title: “Contemporary Orientalism? Representations of Islam and Muslims in the Dutch Press: a content analysis of ‘De Volkskrant’ and ‘De Telegraaf’, 2001-2010”.

Professional Publications

- 2010 **Van Dijk, J. T.** and De Jong, T. Medische voorzieningen in kaart. Bereikbaarheid medische voorzieningen in Bushbuckridge, Maruleng en Sekhukhune [Accessibility of Medical services in Bushbuckridge, Maruleng and Sekhukhune]. *Geografie* 19 (5): 18-20.

Authored Books

- 2017 **Van Dijk, J. T.** Designing Travel Behaviour Change Interventions: a spatiotemporal perspective [Ph.D. dissertation]. Stellenbosch: Stellenbosch University. Persistent URL: hdl.handle.net/10019.1/102809

Research and Travel Grants

- 2023 Research Capital Equipment Fund. UCL Faculty of Social and Historical Sciences. "Social Data Science Research Platform."
£ 460,177 (co-I, PI: L. Nesheim, co-Is: M. Altaweel, G. Jorayev, G. Conti, W. Cui, J. Granja, S. Hansen, H. Ku. J. Cheshire, M. Disney, M. Gibin, S. Law, P. A. Longley, A. Musah, N. Metternich, T. O'Grady, B. Lauderdale)
- 2023 ESRC Ph.D. Studentship, UBEL DTP. Co-funded by PDV Limited. "Lifestyles and geodemographic behaviours in inter-generational context."
£ 60,584 / 3 years (PI, co-I: P. A. Longley)
- 2022 ESRC Ph.D. Studentship, UBEL DTP. Co-funded by Didobi Limited. "Real-time geodemographics for business and service planning."
£ 57,984 / 3 years (co-I, PI: P. A. Longley)
- 2021 The British Academy Talent Development Award Scheme 2021
£ 9,919.47 / 1 year (PI, co-I: S. Law, A. Musah) Ref: TDA21\210069

ESRC Ph.D. Studentship, UBEL DTP. Co-funded by Gamble Aware. "Geographies of harmful gambling behaviour and their remediation".
£ 57,761 / 3 years (PI, co-I: P. A. Longley)
- 2020 Frank Carter Travel Fund, University College London
£ 550 (PI)
- 2016 Postgraduate travel grant, National Research Foundation South Africa
ZAR 24,222 (PI)
- 2015 NRF-DST innovation scholarship, National Research Foundation and Department of Science and Technology South Africa
ZAR 330,000 / 3 years (PI)

Stellenbosch merit bursary, Stellenbosch University
ZAR 50,000 / 2 years (PI)

2014 Scholarship award for full-time doctoral studies, Stellenbosch University
ZAR 390,000 / 3 years (PI)

Created Research Datasets

2023 *Migration Model, 1997 – 2022*
The Migration Model is a dataset that ascribes records pertaining to individuals that vacate a property to their most probable destination address, using a UK-wide population data set: the Linked Consumer Registers. The dataset comprises circa 42 million records. Access to this dataset can be secured through the Consumer Data Research Centre (data.cdrc.ac.uk). *Note: supervised the creation, executed by Dr James Todd.*

2023 *Linked Consumer Registers, 1997 – 2022*
The Linked Consumer Registers are a dataset that contain the names and addresses for adults in the UK in annual snapshots from 1997 onwards to 2022. They are compiled from reported outputs from linking public versions of the electoral roll and consumer registers (supplied by value-added resellers). The dataset comprises circa 141 million records. Access to this dataset can be secured through the Consumer Data Research Centre (data.cdrc.ac.uk). *Note: supervised the creation, executed by Dr James Todd.*

Professional Development

2023 **UCL Arena for Lecturers on Probation (ALP)**, University College London
This course explores the relationships between student education and research and develops skills to teach confidently and effectively.

Teaching Experience

2021 – Present **Lecturing**, University College London
- GEOG0114: Principles of Spatial Analysis (M.Sc.).
Module contributions page: jtvandijk.github.io/GEOG0114/
- GEOG0163: Data, Politics and Society (M.Sc.). *Module convenor.*
Full module page: jtvandijk.github.io/GEOG0163/
- GEOG0030: Geocomputation (B.Sc.). *Module convenor.*
Full module page: jtvandijk.github.io/GEOG0030/
- GEOG0014: Geography in the Field II.
Module contributions page: jtvandijk.github.io/GEOG0014
- Principal dissertation supervisor of B.Sc. students
- Principal dissertation supervisor of M.Sc. students

2020 – 2021 **Lecturing**, University College London
- GEOG0114: Principles of Spatial Analysis (M.Sc.).
Module page: jtvandijk.github.io/GEOG0114_20202021/

- GEOG0125: Advanced Topics in Social and Geographic Data Science. (M.Sc.). Module contribution page: jtvandijk.github.io/GEOG0125_20202021/
 - POLS0008: Introduction to Quantitative Research Methods (B.Sc.). Module contribution page: jtvandijk.github.io/POLS0008_20202021/
 - Principal dissertation supervisor of M.Sc. students
- 2019 – Present* **High-school Student Supervision**, Nuffield Foundation
Supervision of first-generation prospective university students as part of the annual Nuffield Future Researchers widening participation work experience programme. Number of supervisions to date: 5.
- 2019* **Seminar Speaker**, University College London
Co-organiser and speaker in the “Technical Tuesdays” Seminar Series on methods and techniques for quantitative researchers. Module material: github.com/jtvandijk/TechnicalTuesdays
- 2014 – 2017* **Lecturing**, Stellenbosch University
- Spatial Accessibility and Transport Network Analysis (B.Sc. Hons, M.Sc.)
- Secondary dissertation supervisor of two B.Sc. Hons students
- 2013* **Lecturing**, Utrecht University
- Introduction to Human Geography and Planning (B.Sc.)
- Research Methods and Techniques (B.Sc.)
- Introduction to Geographic Information Systems (B.Sc.)
- Advanced Geographic Information Systems (B.Sc., M.Sc.)
- Principal dissertation supervisor of three B.Sc. students
- 2012* **Teaching Assistant**, Stellenbosch University
- Spatial Accessibility and Transport Network Analysis (B.Sc. Hons, M.Sc.)
- 2009 - 2012* **Teaching Assistant**, Utrecht University
- Introduction to Geographic Information Systems (B.Sc.)
- Advanced Geographic Information Systems (B.Sc., M.Sc.)
- Transport Geography (B.Sc.)
- Honours College Geosciences (B.Sc.)
- Ph.D. supervision**
- 2023 - Present* **Subsidiary Supervisor**, University College London
Michael Xiao on the topic of “Lifestyles and geodemographic behaviours in inter-generational context”. Project due to start: September 2023. Expected submission: September 2026.
- 2022 - Present* **Subsidiary Supervisor**, University College London
Mikaella Mavrogeni on the topic of “Real-time geodemographics for business and service planning”. Expected submission: September 2025.

2021 - Present **Subsidiary Supervisor**, University College London
Shunya Kimura on the topic of "Geographies of harmful gambling behaviour and their remediation". Expected submission: September 2024.

Ph.D. examination

2022 **Ph.D. upgrade**, University College London
Shunya Kimura on the topic of "Geographies of harmful gambling behaviour and their remediation"

2021 **Ph.D. upgrade**, University College London
Louise Sieg on the topic of "New Forms of Data and Geodemographics: Evaluation and regionalisation of big mobile phone datasets"

2020 **Ph.D. upgrade**, University College London
Jakub Wyszomierski on the topic of "Hybrid geodemographics and creation of the 2021 Output Area Classification"

Invited talks and Conference Presentations

2023 "DigitalFootprints Data". Invited Research Seminar. Graduate School of Economic and Management Sciences and School of Data Science and Computational Thinking, Stellenbosch University. *Stellenbosch, South Africa, April 13, 2023.*

2022 "Linkage of historical GB Census data to present day population registers". International Population Data Linkage Network Conference. *Edinburgh, United Kingdom, September 8, 2022.*

 "A more granular approach of the social outcome inequalities among different ethnic groups in Great Britain". The British Society for Population Studies Annual Conference. *Winchester, United Kingdom, September 6, 2022.* Presented by T. Lan.

 "Harder, better, faster, stronger. Exploring GPU-based analysis for social and geographic applications". Talent Development Award Induction Day. *The British Academy, United Kingdom, May 11, 2022.*

 "What's in a name? Visualising surname geographies in a GIS environment". International Spring School on Visualization (ISSonVis). *Palacký University Olomouc, Czech Republic, April 7, 2022.*

 "Harder, better, faster, stronger. Exploring GPU-based analysis for social and geographic applications". Human Geography Seminar Series Department of Geography. *University College London, United Kingdom, March 15, 2022.*

- 2021 "New data on equality, exclusion and social change in London and the UK". Levelling Up and London, London Research and Policy Partnership *London, United Kingdom, September 17, 2021.*
- "Developing a data infrastructure for bespoke demographic analysis". 29th Conference of GIS Research UK. *Cardiff, United Kingdom, September 14 – September 16, 2021.*
- 2020 "Applied Geoinformatics: Insights into human mobility patterns". Guest lecture Department of Physical Planning [online]. *School of Architecture and Planning New Delhi, India, October 29, 2020.*
- 2019 "Platial geo-temporal demographics using family names". 2nd International Symposium on Platial Information science. *Coventry, United Kingdom, September 5 – September 6, 2019.*
- "Using the spatial analysis of family names to gain insight into demographic change". 27th Conference of GIS Research UK. *Newcastle, United Kingdom, April 23 – April 26, 2019.*
- 2017 "Using GPS-enabled smartphones for Voluntary Travel Behaviour Change interventions". Guest lecture Utrecht University Summer School on "GPS data analysis". *Utrecht University, the Netherlands, July 12, 2017.*
- 2016 "Mobile data collection techniques in sub-Saharan Africa: An outlook to the future of transport research". 11th Biennial Conference of the Society of South African Geographers. *Stellenbosch, South Africa, September 25 – September 25, 2016.*
- "Designing a Voluntary Travel Behaviour Change Intervention: Smartphones and Space-Time Accessibility Analysis". Mobile Tartu 2016. *Tartu, Estonia, June 29 – July 1, 2016.*
- "GPS data analysis". Guest lecture Utrecht University in the module "Introduction to GIS". *Utrecht University, the Netherlands, February 18, 2016.*
- 2015 "GPS data analysis". Guest lecture Utrecht University in the module "Introduction to GIS". *Utrecht University, the Netherlands, November 25, 2015.*
- "Gathering individual travel data with GPS-enabled smartphones: A proof of concept study". 34th Southern African Transport Conference. *Pretoria, South Africa, 6 July – July 9, 2015.*
- 2014 "Twenty years of Freedom: The role of the Old Persons Grant in addressing unemployment and inequality in a young democracy". 12th Development Dialogue "Rethinking Democracy". *The Hague, the Netherlands, October 16 – October 17, 2014.*

"Towards spatial justice: The spatial Equity Effects of a Toll Road in Cape Town, South Africa". World Symposium on Transport and Land Use. *Delft, the Netherlands, June 24 – June 27, 2014.*

Professional Societies

2021 – Present *Fellow of the Royal Geographical Society (with Institute of British Geographers)*
Committee member of the RGS-IBG GIScience Research Group.

Community Service and Engagement

2022 - Present *Department Management Team*
Member of the Department Management Team (UCL Geography).

2022 - Present *Undergraduate Admissions Tutor*
Undergraduate Admissions Tutor for the Undergraduate programmes in UCL geography. Part of my remit involves a strong focus on widening participation as well as outreach to schools located in widening participation areas.

2022 *Session organiser RGS-IBG Annual International Conference*
Organiser for two sessions in the RGS-IBG International Conference on "Dealing with uncertainty: Quality and Representation in the context of Big Data". *Newcastle, United Kingdom, August 29 – September 2, 2022.*

2021 – Present *Committee member RGS-IBG GIScience Research Group*
Organisation and promotion of the events of the RGS-IBG GIScience Research Group, including a webinar series and RGS Annual Conference session.

2021 *Data for Policy conference*
Session chair. "Informing policy for region and cities: data approaches for timely and granular evidence" *London, United Kingdom, September 16, 2021.*

2021 *Consumer Data Insights for Housing Policy Workshop*
Presentation and participation in stakeholder workshop to showcase work on housing and residential mobility. *London, United Kingdom, June 26, 2021.*

2020 – Present *Under One Sky*
Volunteering. Provision of food and assistance to the homeless community in London.

2014 – 2015 *Social Sciences for Development conference*
Member of the local organising committee at Stellenbosch University for the 2015 Social Sciences for Development conference.

Web Development

- 2019 – 2021 *Gamble Aware*
Data analysis, web mapping, and visualisation of the geographical distribution of supply and demand for treatment and support for problematic gamblers.
- 2018 – 2022 *GBNames*
GBNames explores the spread of family names across Great Britain, using historic censuses and recent consumer registers, and links surnames to consumer data statistics. Website available through:
apps.cdrc.ac.uk/gbnames/

External Projects

- 2021 *World Bank*
Generation of travel time indicators and market access indicators for small administrative units in Ethiopia. This project is part of a wider study conducted by the World Bank that aims to identify and tackle deeply rooted binding constraints that could hamper the gains of economic growth being spread evenly across regions and between rural and urban areas. Final report available through: bit.ly/3Aj57U0
- 2020 *UCL, Bloomsbury and East London Doctoral Training Partnership*
Scoping study, consisting of both desk research and in-person interviews, to identify potential factors and themes that underpin successful partnerships and collaborations between academia and industry.
- 2019 *Greater London Authority*
Preparation of selected data products on ethnicity, population churn, migration, and social mobility for the Greater London Authority.
- 2016 – 2017 *Harambee Youth Employment Accelerator*
Data analysis using well-known statistical techniques as well as more advanced machine learning classifiers for Harambee Youth Employment Accelerator to better understand, and possibly predict, successful job placements.
- 2009 *AfriScope*
Contributions to a study on the accessibility of government services in the Integrated Sustainable Rural Development (ISRD) Nodes in South Africa.
